TARGET SCORES
<b>2 players</b> – 20,000 points
<b>3 / 4 players</b> – 15,000 points
<b>5 players</b> – 10,000 points

TIPS
1. You don't have to score what's there, scoring a single dice gives a relatively safe chance of re-rolling an even higher amount
2. Don't get too greedy, one bad roll and you lose it all!
3. Falling behind the other players? Time to start taking chances
